The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

The Honorable Rosa L. DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Mountlake Terrace Community Center Resiliency Project in fiscal year 2026. The entity to receive funding for this project is the City of Mountlake Terrace, located at 23204 58th Ave. West, Mountlake Terrace, WA 98043. The funding would be used for the City of Mountlake Terrace's Community Center Resiliency Project.

The project is an appropriate use of taxpayer funds because the current emergency services shelter building in Mountlake Terrace is in dire need of repair and it is essential to reinvest in the facility to ensure ongoing roof leaks, heating breakdowns and lack of cooling are solved so operations are not continuously impacted.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

---
