The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Snohomish County Public Hospital District No. 1 dba EvergreenHealth Monroe in Fiscal Year 2026. The entity to receive funding for this project is EvergreenHealth Monroe, located at 14701 179th Ave SE, Monroe, WA 98272. The funding would be used for expansion and enhancement of sub-specialty care suites to provide comprehensive care including orthopedics, cardiology, ENT, urology, and neurology to residents of East Snohomish County.

The project is an appropriate use of taxpayer funds because it expands access to specialized healthcare service for residents of East Snohomish County. The initiative will reduce the need for long-distance travel, improve early detection and treatment of health conditions, and enhance overall health outcomes. This federal support will help ensure the delivery of high-quality, accessible healthcare, addressing a critical regional need and improving the quality of life for district residents.

The project has a federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Suzan K. DelBene
Member of Congress
