Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for HealthPoint Redmond Health Center in fiscal year 2023.

The entity to receive funding for this project is HealthPoint, located at 955 16225 NE 87th St, Redmond, WA 98052.

The funding would be used for providing quality primary medical and dental care to low-income people who often experience barriers to care. HealthPoint's new Redmond Health Center will be an affordable housing and human services campus in the city of Redmond, Washington. This clinic will provide 32,000 medical and dental visits to 10,500 low-income patients every year.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

---
