Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for the Northwest Indian College Health and Wellness Center in fiscal year 2023.

The entity to receive funding for this project is Northwest Indian College located at 2522 Kwina Road, Bellingham, WA 98226.

The funding would be used for the construction of a Health and Wellness Center that would support a diverse student body, faculty, and staff represented by 120 Tribes, a multigenerational Tribal community ranging from young children to elders, participants of large Tribal cultural and educational events, and community members who may be facing future needs for staging of large vaccination clinics or gathering during an emergency.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Suzan K. DelBene
Member of Congress
