The Honorable Kay Granger
Ranking Member
Committee on Appropriations

Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for Environmental Career Preparedness (EnCAP): Towards a Green Economy in fiscal year 2023.

The entity to receive funding for this project is University of Washington Bothell, located at 18115 Campus Way NE, Bothell, WA 98011.

The funding would be used to develop inclusive K-16 educational pathways toward environment and sustainability degree programs leading to emerging green economy careers. At the state level, the EnCAP project supports current and future needs for new workers with the knowledge, skills, and aptitudes to fulfill new green economy workforce demands.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Suzan K. DelBene
Member of Congress
