RESOLUTION

Expressing support for the designation of June 26 as "LGBT Equality Day".

- Whereas the United States recognizes that all people should be treated equally;
- Whereas Members of the 114th Congress support the rights and freedoms of individuals who are lesbian, gay, bisexual, and transgender (LGBT);
- Whereas on June 26, 2003, the United States Supreme Court ruled in Lawrence v. Texas that States could no longer criminalize the private conduct in which same-sex couples engage;

- Whereas on June 26, 2013, the United States Supreme Court ruled in United States v. Windsor that Section 3 of the Defense of Marriage Act (DOMA) was unconstitutional and the Federal Government could no longer restrict married same-sex couples from receiving Federal benefits and protections;
- Whereas on June 26, 2015, the United States Supreme Court ruled in Obergefell v. Hodges that same-sex couples have a constitutional right to marry and States could no longer discriminate against same-sex couples when recognizing or licensing a marriage;
- Whereas Supreme Court decisions handed down on June 26 ended marriage discrimination and the criminalization of same-sex private intimate conduct under the law;
- Whereas LGBT people and their allies have worked together for over 60 years to make progress toward achieving full equality for all people in the United States, regardless of sexual orientation or gender identity;
- Whereas LGBT people in the United States continue to face many barriers to the American dream that cannot be solved through courtroom litigation alone;
- Whereas transgender people and LGBT people of color are disproportionately and uniquely burdened by such barriers, including violence, discrimination, poverty, and societal isolation;
- Whereas although victories at the Supreme Court have affirmed the dignity and equality of millions of same-sex couples, statutory reforms are needed to ensure LGBT people in the United States are free from discrimination and have equal access to the American dream; and

Whereas June 26 would be an appropriate date to designate as "LGBT Equality Day": Now, therefore, be it
