The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Swift Green Line Extension Southern Terminal Facility in fiscal year 2026. The entity to receive funding for this project is Snohomish County Public Transportation Benefit Area Corporation (Community Transit), located at 2312 W. Casino Road, Everett, WA, 98204. The funding would be used for Community Transit to complete environmental review and design for their terminal facilities capital project.

The project is an appropriate use of taxpayer funds because a new terminus in Bothell will coordinate with the regional transit network to both serve UW Bothell and downtown Bothell and seamlessly connect riders to the region. Existing and future routes to this site support the restructuring of regional service as part of the Lynnwood Link Extension, the East Link Extension, and the Stride BRT system build out.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Suzan K. DelBene
Member of Congress
