The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Lynnwood and Mountlake Terrace High Schools, and Martha Lake Elementary School LED Lighting Retrofits in fiscal year 2025. The entity to receive funding for this project is Edmonds District, located at 20420 68th Ave. W., Lynnwood, WA, 98036. The funding would be used for the improvement of student learning environments.

The project is an appropriate use of taxpayer funds because it will go to the switching from fluorescent lights to LEDs in two of WA-01's local high schools and one elementary school to save money, reduce maintenance, improve the learning environment, and be more sustainable future for the community by using less electricity.

The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(4). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Suzan K. DelBene
Member of Congress
