The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
U.S. House of Representatives

The Honorable Rosa L. DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Alderwood Mall Parkway: SR525 to 168th St SW in fiscal year 2026. The entity to receive funding for this project is the County of Snohomish, located at 3000 Rockefeller Ave. M/S 607, Everett, WA 98201. The funding would be used for Snohomish County to widen the roadway from three to five lanes.

The project is an appropriate use of taxpayer funds because the Alderwood Mall Parkway will help with congestion relief, enhanced multimodal mobility options, and support for sustainable growth and development. The Alderwood Mall Parkway: SR525 to 168th St SW project delivers tangible benefits to taxpayers through congestion relief, enhanced multimodal mobility options, and support for sustainable growth and development. The project includes a range of multimodal enhancements, including improvements for motorists, pedestrians, and bicyclists. From widening the roadway to upgrading stormwater conveyance and installing low-impact illumination, these measures improve safety, mobility, and accessibility for all users.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133(b)(1)(A). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

---
